

### K's Care Map

## Coordinating All Resources Effectively (CARE) Funded by CMMI, 2014-2018

A national three-year project to transform care delivery and payment for children with medical complexity

- Medicaid
- 10 hospitals
- 8 state Medicaid agencies
- 8,000 medically complex children
- 42 primary care sites
- \$380,000,000 total annual care costs

The project described was supported by Grant Number 1C1CMS331335 from the Department of Health and Human Services, Centers for Medicare & Medicaid Services. The contents of this publication are solely the responsibility of the authors and do not necessarily represent the official views of the U.S. Department of Health and Human Services or any of its agencies. The research presented here was conducted by the awardee. Findings might or might not be consistent with or confirmed by the findings of the independent evaluation contractor.
