

Health Care Reform:  
What have we learned?  
What challenges do we face?

# What we have learned:

- Americans want health insurance.
- The Affordable Care Act has made health insurance affordable for many Americans.
- The ACA is reducing the number of uninsured Americans.
- The newly insured have found health care providers who can treat them.

# What challenges lie before us?

- Expanding Medicaid.
- Expanding enrollment.
  - Retaining those already insured.
  - Expanding outreach.
- Continued attention to insurance markets.
  - Expanding competition.
  - Network adequacy.
  - More attractive products.
  - Discouraging discrimination.
