

The Challenge of Integrating  
Behavioral Health and Primary Care in  
a Reform Era  
May 2, 2014

**Bernard T. Engelberg, M.D.**  
**Cenpatico Senior Medical Director**

# Opportunities

- Holistic Person-Centered Care
- Decreased Hospital Readmissions
- Increased Community Supports
- Peer Support
- Population-Specific Health Homes

# Challenges

- Creating Accountable Care Organizations
- Payment Reform Focused on Quality Outcomes
- Electronic Health Records
