Notes: Represents 2013 dates of service measured against industry benchmarks from 2015 Medicare Part C & D Star Ratings Technical Notes (based on 2013 dates of service)

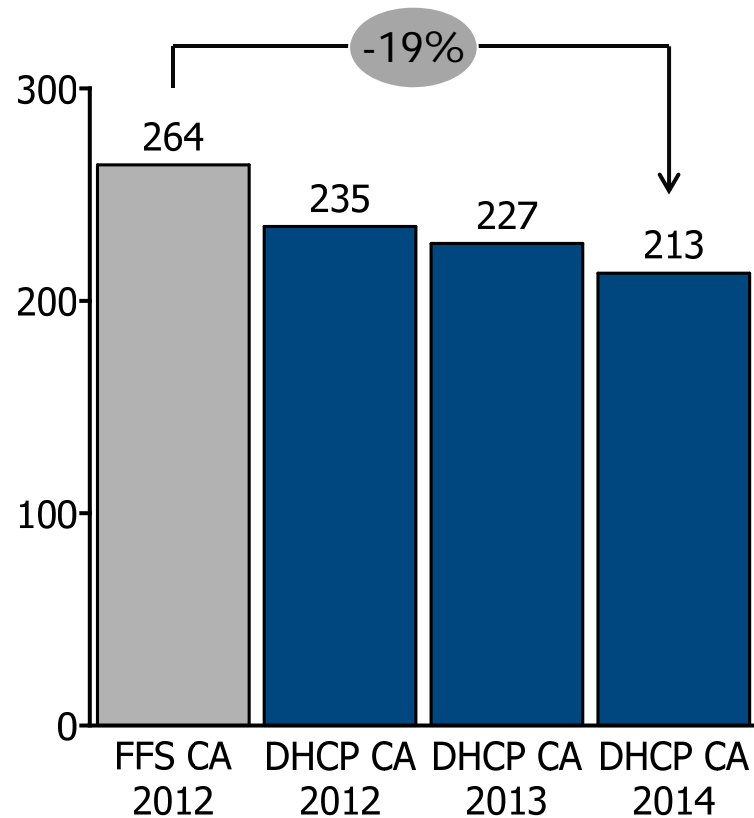

What Makes Us Different

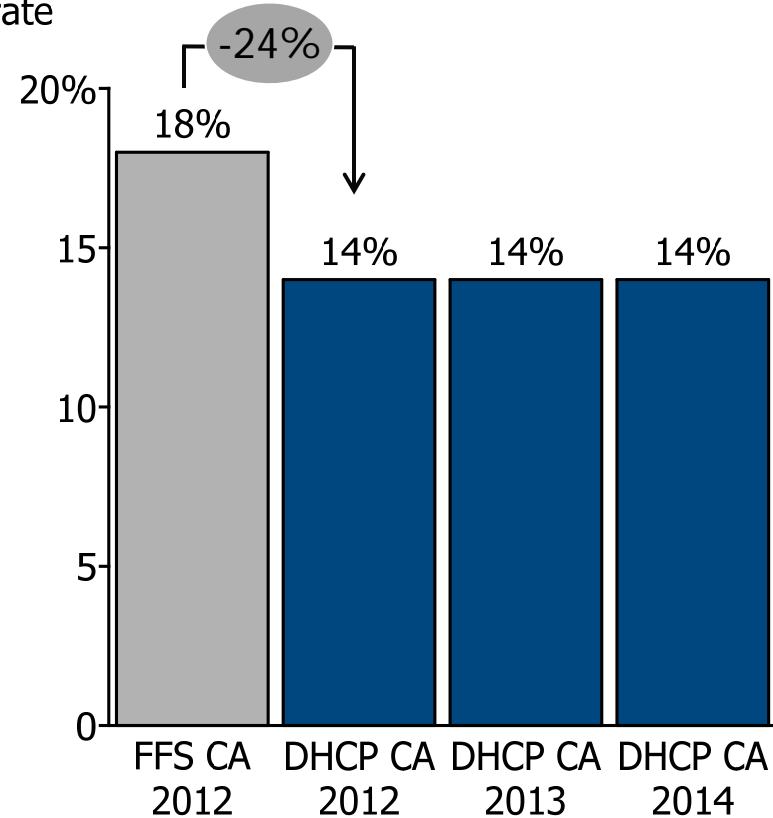

Comprehensive, team oriented care

DHCP Clinical Utilization – CA Example

Admits per thousand

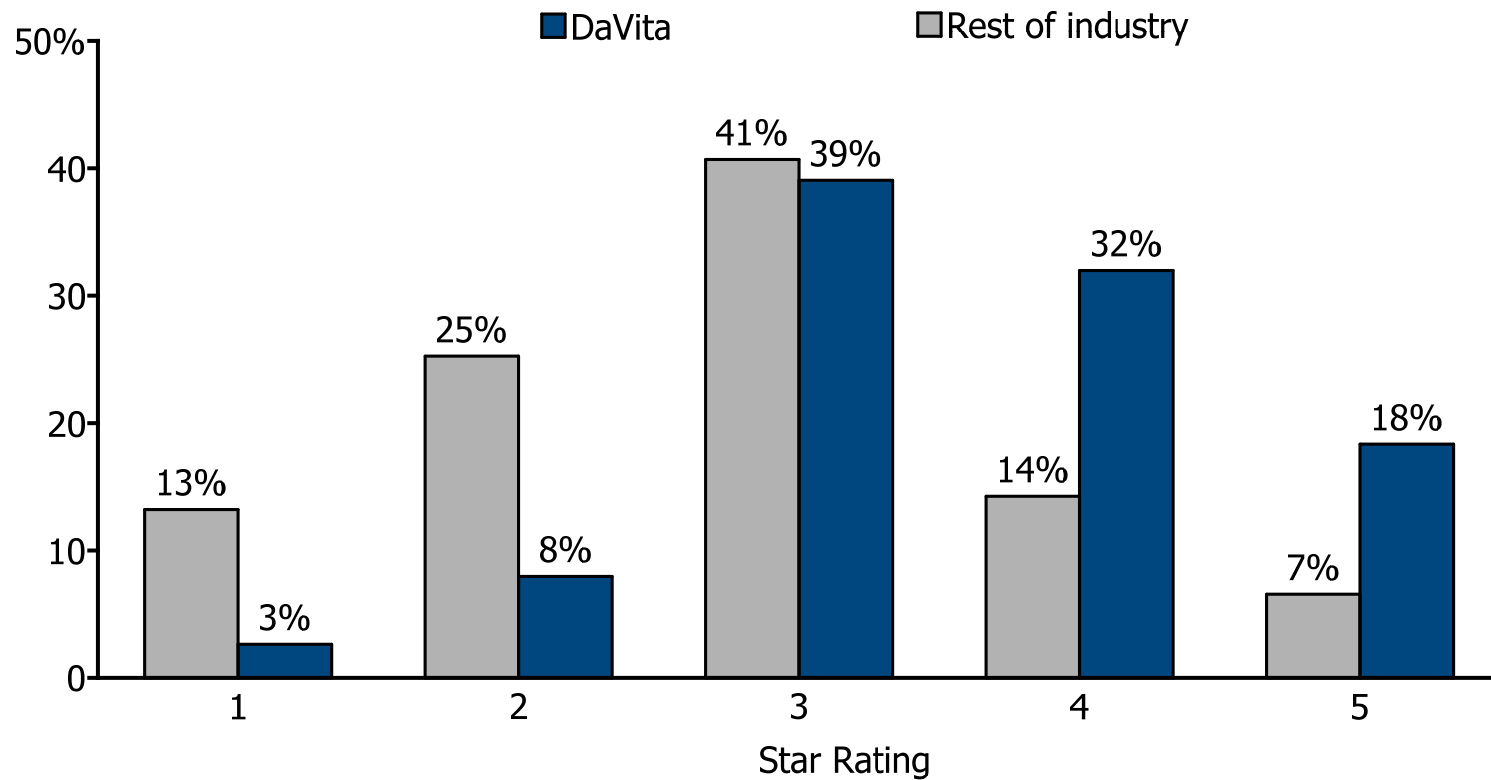

All-cause 30-day readmit rate

DHCP significantly outperforms even low admit FFS areas

Industry-leading Kidney Care Quality

Caring for 1/3 of U.S. dialysis patients (~170K); leading the way in quality

Notes: (1) Excludes 651 unrated facilities (12% of total)
