Exhibit 8. Nearly Three-Fourths of Adults Surveyed Favor Making Medicaid Available to More Residents in Their State

More Americans will become eligible for Medicaid under the health reform law. But the Supreme Court has allowed states to choose whether to expand Medicaid to cover more of their residents. Do you generally favor or oppose making Medicaid available to more residents in your state?

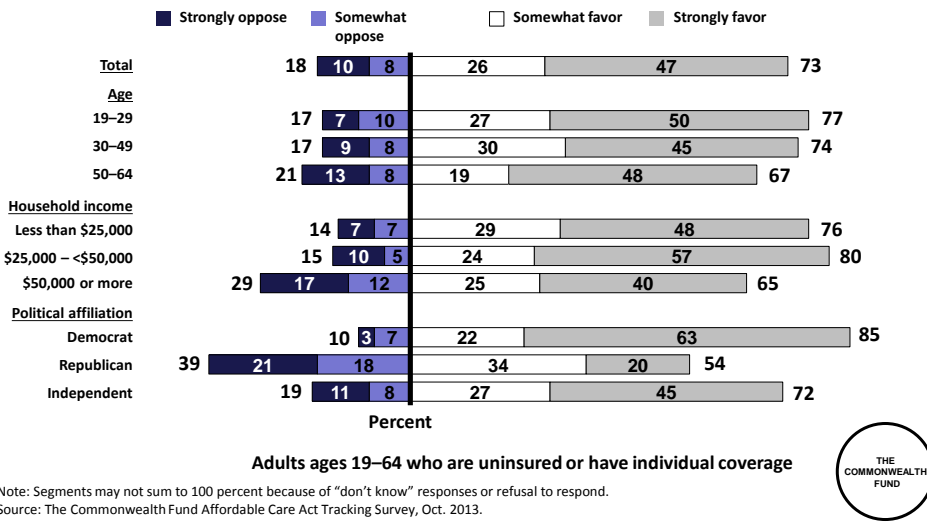

Exhibit 1. As of November 2013 over one million people have been determined eligible for marketplace plans; 200,000 have selected a plan
