## THE KRESGE FOUNDATION

**Our Programs** 

# Health

Aims to reduce health disparities among children and adults by addressing conditions that lead to poor health outcomes.

0

# Kresge health program

Living Cully in Portland, a cross-team grant

Seeks to help communities overcome the social and economic disadvantages that contribute to poor health so that all Americans have the chance to enjoy productive, self-determined lives

# Strategy 1

**Developing healthy places**: Advance and scale place-based, community driven strategies to develop healthier communities.

# Strategy 2

Accelerating community centered approaches within the health system: Accelerate and expand adoption of population health approaches in health care and public health

# Community centered health initiatives

Community Centered Health Homes Initiative (TBA)

PRAPARE :Protocol for responding to and assessing patients' assets risks experiences
